With our strategic location in the heart of Kuta close to beach, shops and restaurants, our guest house is located along Gang Lotring , a small laneway next to ATM Bank Danamon opposite the famous Warung Made restaurant in Kuta. Walk down the Gang Lotring laneway for 60m and Kuta EcoStay is on the left about half way along the laneway.

Make sure to tell the taxi driver to go to **Warung Made restaurant in Kuta** situated on Jalan Raya Kuta very close to Bemo Corner intersection, and not the restaurant with same name in Seminyak. All taxi drivers know Warung Made restaurant in Kuta since it has been there over 40 years!

Taxi should cost no more than Rp100,000 in cash from airport but you will need to negotiate.
